

## FREE TORCHON LACE PATTERNS

from Jane Atkinson

### **Clippykit Bag Patterns**

Here are four patterns designed to fit in the pockets of a Clippykit display bag.

Use them to try out colour juxtapositions, schemes and theories, such as those to be found in Deb Menz's *colorWorks*.

The threads suitable for the two dot pitches used here are

- stranded cotton for the wider pitch and
- cotton pearl 8 for the smaller one,

both of which come in wide colour ranges.
